Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

Education

- | | |
|---|------|
| • GITAM school of technology
B tech | 2024 |
| • BGS pu college
PU | 2021 |
| • Sree Vijaya high school
10th | 2019 |

Skills

- Research and evaluate competitors' marketing and digital content.
- Contribute to the creation of email campaigns, and social media content.
- collaborative relationship with prospective clients through referrals.
- Problem solving skills
- Hardworking with good Interpersonal & Presentation Skills.

Projects

- **Intern pe**
I worked as an intern in the Course of web development in the internPe company
Result: I have found how to develop the front end page and Nice the page can be designed and how good attractive the page looks
If once the customer look to the page they must buy the product directly without second thought

Achievements & Awards
